Massey Ferguson has always provided innovative, but practical solutions to the farmer's needs to answer the challenges of the time. The MF 4700 Global Series continues this tradition by offering a highly modern, high performance, heavy duty, straightforward range of tractors that provide exceptional efficiency for every type of farmer all over the world.

With its entirely new - yet simple- design, manufactured in state of the art factories across the Globe, with efficient drivelines and high level of comfort, the MF 4700 is definitely designed to be the new workhorse of the world - it really brings exceptional value for money for any sector!
